Sexuality and gender respect workshop

Grades 6, 7 and 8

Taking that big step into adulthood

UYAZI?
DO YOU KNOW?

Introduction

Education is not just about the subjects you learn at school, it's about how you are equipped to deal with the challenges in life and how you grow.

Module 1

Puberty, sexuality and gender respect

Most parents and educators recognise the importance of children and young people having accurate, age appropriate sexuality education as they grow. Communicating openly and honestly about sexuality issues can have lifelong benefits for a young person.

Even though South African parents are probably more sexually liberated than ever before, the trend is to shove the responsibility of sexual education onto the schools shoulders.

- A. Introduction to teen sexuality
- B. Male Sexual anatomy (Reproductive organs)
- C. Female sexual anatomy (Reproductive organs)
- D. Understanding the menstrual cycle
- E. The most embarrassing questions asked in the classroom
- F. Understanding fertilisation
- G. The prevention of teen pregnancy
- H. Gender equality
- I. Gender respect

- J. Preventing sexual assault
- K. The prevention of sexuality transmitted infections
- L. Types of treatment
- M. My first relationship – setting boundaries
- N. Keeping my reputation in tact
- O. Hygiene - what is expected of you as a young teen
